

How to Become a Referee in North Texas

The North Texas Referee Program serves the game in over 100 local associations from Lubbock to Lake Highland, Amarillo to Arlington, Cedar Hill to Corsicana – chances are YOU live close to a soccer association.

Typically, new referees work for *their* local association.

US Soccer Referee Course

The Referee Course is specific to the recreational and competitive youth game. This is an entry-level course for new referees. This course consists of online modules in the [US Soccer Learning Center](#) that must be completed by the candidate prior to the in-person or online video classroom and field session.

How to Become a USSF Referee

- Requirement – you must be 13 or older.
- There is two-part process that must be completed to become a licensed USSF Referee.
- Sign up for a Referee online course. You will pay the fee when you sign up.

Part 1 - Sign up for the Referee Online Lessons via

[North Texas Soccer Referee Page](#)

- There are 6 modules in the online portion. All 6 modules must be completed in full. The online lessons take approximately 6-7 hours to complete.

Part 2 – Select an in-person clinic to attend

- Once you complete the entire online lessons, you'll be able to select an in-person clinic to go to on the US Soccer Learning Center (you should get an email to direct you to the in-person options).
- The in-person clinic is 3.5 hours. This is the field session done outdoors.
- Lots of important information is given to all attendees – who you will work for, how to get games, where to get uniforms, etc.
- You must complete both parts in order to become a referee.

To Register

1. Click here [North Texas Soccer Referees](#)
2. Start/finish the online lessons
4. Once you complete the online lessons you can PICK A CLINIC This is the in-person portion of the clinic.

This information along with additional FAQs can be found on the [North Texas Soccer website](#).
